

Membership of the ANZFHS

There are three types of membership:

- ANZFHS membership only.
This membership includes 4 editions of the ANZFHS Magazine and does not allow for horses to be registered or transferred. The annual fee for 2013 is \$ 80.
- Individual/Family/Business Member of the ANZFHS and KFPS.
This membership is required if you want to register/transfer Friesian horses in the KFPS registers. The fee for 2006 is \$185, the main proportion of the fee covers the KFPS membership. New members also pay an entry fee of \$ 25.
- Individual/Family/Business Member of the ANZFHS and KFPS, including a subscription to the (Dutch) Phryso magazine.
This membership is the same as the one above, except that a subscription to the studbook Magazine, Phryso, is included. This magazine is sent by Airmail. The magazine is in the Dutch language. This fee including the subscription fee for 2013 is \$340, the main proportion of the fee covers the KFPS membership and Phryso subscription.

You can also register your stable or studname. This means that you will have exclusive use of that name within the KFPS registers and it will automatically be added to the foals name when you register a foal.

The fee is a one off registration fee of \$ 80 and an annual fee of \$ 20 due with the renewal of membership.

More information is available on the [information sheet](#) that is attached to the membership application.
